

2010 Charlevoix Seminar

Don't Miss This Chance to Learn New And Exciting Material That Has Not Been Taught For Decades!

Hosted by SBN Christopher Demanaeus

In an ongoing attempt to make sure that ALL of the lost Kong Shin Bup Material is passed on, I have decided to make these almost forgotten KSB techniques the focus this year's Charlevoix seminar. Not only will you have a chance to learn about the "Mini Dan Bong" (this material has never been shown since GM Pak left the Sault), but we'll also review some of the new things that were recently taught by me.

I will bring some of the special KSB Mini Dan Bong to the event that you can purchase; however, I believe that SBN Christopher will also have some generic Mini Dan Bong on hand that you can borrow. In addition, you should bring a set of regular Dan Bong as well as a set of Juhl Bong. Please make sure NOT to cross borders with a Juhl Bong that has the rope attached to it. Make SURE to have your passport as well. See you there!
